

RENTAL APPLICATION CRITERIA

R. Fralin & Associates conducts business in accordance with all federal, state and local Fair Housing laws. Applicants will be accepted only on the basis of their suitability as tenants as determined by the guidelines set forth below, and without regard to the applicant's race, color, religion, sex, national origin, handicap, familial status, sexual orientation, gender identity, veteran status or source of funds.

We strive to lease rental units at the most competitive rates obtainable in each applicable housing market. This is achieved by comparative pricing, negotiated rents, and pricing incentives to obtain the highest rental income possible for the owners of our properties. There may be price differences as to the effective rental rates attained by our tenants depending on the leasing or marketing plan then in effect and the time and date on which they visited the community or applied for tenancy.

APPLICANTS AND OCCUPANTS: An applicant must be 18 years of age or older to qualify as a tenant. All individuals 18 years of age or older must complete an application and be listed as a Tenant on the lease agreement. All individuals younger than 18 years of age must be listed on the application and lease agreement as Occupant. An application fee is required for each applicant.

IDENTIFICATION: Valid government-issued photo identification and social security number is required for all applicants. Non-U.S. citizens are required to provide documentation to verify legal status including but not limited to: VISA or Green Card.

CREDIT REPORT: A credit report will be performed on each applicant, which is evaluated by a credit-risk scoring system that is provided by an independent consumer reporting agency. Prior to final acceptance of each applicant, R. Fralin & Associates will use this system to provide a numerical score that represents a relative measure of the credit risk associated with each applicant. Each applicant's credit-risk score will be compared to R. Fralin & Associates' acceptance policies to determine whether or not the applicant may be accepted.

Your consumer credit report contains information about you and your credit experiences, such as the number, type and age of accounts you have, bill payment history, late payments, outstanding debt, collection actions and rental history. Credit accounts reported as medical or educational loans totaling less than \$5,000 will be considered as neutral. Applicants with discharged bankruptcies must have at least one (1) new positive credit account established after the discharge date.

CRIMINAL BACKGROUND HISTORY: All applicants must consent to a criminal background check which is processed using a sophisticated multi-state criminal records search system that objectively categorizes criminal conviction records based on offense type, severity of the offense, and the time that has passed since the conviction. If your application is denied based on the discovery of public records that indicate an unacceptable criminal background, you will be given the name, address, and telephone number of the consumer reporting agency that provided the criminal background report. R. Fralin & Associates reserves the right to deny an application on the grounds that the applicant has been convicted by a court of competent jurisdiction of the legal manufacture or distribution of a controlled substance as defined in federal law; or on the grounds that the applicant poses a clear and present threat of substantial harm to others or to the dwelling itself; or on the grounds that the applicant, based on a prior record of criminal convictions involving harm to persons or property, would constitute a clear and present threat to the health or safety of other individuals.
